**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't allow price hikes, as senior citizens can't afford it. It is vital to our well being and lives to have phone service at a reasonable price. AT&T is such a monopoly, without good service, and sometimes rude when trying to complain about the service.

I chose to change to Sonic and am very pleased. The people who give help are so courteous when there's a need, which is seldom or not at all.

Their prices for phone and internet are so reasonable and within the budget of seniors.

Thank you for your attention to this matter.

Sincerely, Margery Takeyama (age 88)

Margery Takeyama
